

Volunteer Information Form

Thank you for your interest in helping to make the ASU Winter Intensive a success!

We are very appreciative of the students and teachers who volunteer to help out at events like these and will strive to make the experience as satisfying and productive as possible. Without all the volunteers, events like this would not be practical -- at least, not in their current form. But when everyone works together, amazing things become possible.

Please tell us a little bit about yourself. Please include:

- Name
- Dojo
- Teacher
- Contact Information
- Any particular skills/experience you would feel would be valuable for your volunteer time during the camp
- Any specific operational area (mats, registration, hospitality, kamiza, weapons, setup, cleanup, breakdown, first aid, Sensei duty, etc.) to which you would like to be assigned.

Also please tell us about your availability:

- Are you staying at the Sirata? If not, then where?
- Will you have a car? (how many seats?)
- When will you arrive? (please be specific)
- When will you depart? (please be similarly specific)
- Are there particular days and times during the event when you will be unavailable?

Please return completed forms to info@winterintensive.com

Thank you!
